Dear Sir/Madam

ABN 20 903 762 572

SUBJECT: Relocation of a Loading Zone in Mill Street to Wright Street

As you may be aware, SA Police are developing a staging post for their Mounted Operations Unit in the City, to ensure that policing needs are suitably met. This site is to be located on the corner of King William Street and Wright Street, all the way up to Mill Street.

As part of the development of this site, new entry and exit points will be located on Mill Street, which requires the removal of an existing Loading Zone (please see image below). To ensure that loading and unloading continues to be facilitated in this area, the Loading Zone will be relocated to Wright Street, immediately west of Mill Street, taking the place of one of the existing Ticket Parking spaces (pictured below).

To ensure that development activities are not impacted, the Loading Zone will be removed from Mill Street by the end of October and replaced on Wright Street around this same time.

If you have any queries about this development, you are encouraged to visit SAPOL's weblink <https://www.police.sa.gov.au/about-us/new-home-for-horses-and-dogs/city-staging>

Yours sincerely,

Christian
