Re: Freedom of Information Act application

In reference to your application made pursuant to the *Freedom of Information Act 1991* (FOI Act), access was sought to:

"I would like to request a list of research proposals (including the title, supporting organisation and date of the proposal) which have been considered by SAPOL's Research & Survey Coordination Committee between January 1st 2014 and June 30th 2024 and the outcome of those applications (accepted, rejected / denied, amendments sought etc.). A further field which includes more detailed information about the reason for the outcome (accepted / rejected etc) is also requested (e.g. the research is not aligned to SAPOL's goals, data security concerns, or significant resource commitment required etc.). The names of the requesting researchers are not sought for this request."

South Australia Police (SAPOL) has located a document that falls within the scope of your request. The document is numbered and described in the following schedule. The schedule contains the details of the determination in compliance with section 23.

| SA POLICE - FREEDOM OF INFORMATION UNIT SCHEDULE | | |
|--|--|--------------|
| No. | Document Description | Status |
| 1 | Research Coordination Committee Application Data Spreadsheet | Full Release |

Please note, we have in this instance waived further fees in relation to the provision of non-personal information due to the delays in providing this document to you. There may be additional costs involved if you wish to re-apply for a similar document in the future.

Disclosure Log

In accordance with the requirements of Premier and Cabinet Circular PC045, details of your FOI application, including the information and/or documents to which you are given access will be published on the SAPOL website Disclosure Log. A copy of PC045 can be found at: https://www.dpc.sa.gov.au/_data/assets/pdf_file/0019/20818/PC045-Disclosure-Logs.pdf.

If you disagree with publication, please advise the undersigned in writing by 4 November 2024.

Yours sincerely
